

STANLEY® (STA034297)

Closed Case Fibreglass Long Tape 30m (Width 13mm)

The Stanley Closed Case Fibreglass Long Tape has a 13mm wide corrosion resistant, UV protected, non-conductive fibreglass blade. The blade is white and has a washable PVC coating to increase life. The high impact ABS closed case is able to withstand severe work conditions and the case is perforated to allow the tape to be cleaned. Available with metric only or both metric and imperial measurements. This Stanley Closed Case Fibreglass Long Tape has metric measurements only, with 2mm graduations for precise measuring. Blade Length: 30m Blade Width: 13mm Accuracy: EC Class III
