

STANLEY® (STA084007)

FatMax® Long Nose Pliers VDE 200mm

FatMax VDE Long Nose Pliers manufactured to exacting European standards individually tested to 10,000 volts and approved for working around live circuits that do not exceed 1,000 volts. The bi-material handles offer the user improved control and grip, incorporating slip guard shoulders for additional safety. They are made from a heat treated, high chrome steel forging for long life and have hand ground, induction hardened blades. DIN/ASO/ANSI compliant. Ideal for maximising grip and manoeuvring of small objects in confined spaces. 1 x Stanley FatMax Long Nose Pliers VDE 200mm

Length
200mm
