

Faithfull (FAIAS250C)

Contract Adjustable Spanner 250mm (10in)

The Faithfull Contract Adjustable Spanners have a ring spanner built into the handle. The drop forged construction and the moulded soft-grip handle combine strength with comfortable use. The adjustable jaw enables each wrench to be used on a number of different sized nuts or bolts. Jaw Capacity: 35mm Length: 250mm Ring in Spanner Handle: 17mm
