- Made from heavy-duty steel engineered to stand up to busy IT environments
- Designed for use with SR4POST48HD heavy-duty open frame racks

Package Includes

- (2) Side panels
- Owner's manual

Latching steel panels attach to the sides of your heavy-duty 4-post open frame rack.

Features

Steel Side Panels for Installation on Your 48U 4-Post Open Frame Rack

The SmartRack® SR48SIDE4PHD side panels feature pre-installed latches that attach to your busy 4-post open frame rack. Designed for the SR4POST48HD rack frame, this kit can be used in data centers and other applications to provide a clean look for end-of-row open frame racks. This side panel kit elevates the look of your 4-post rack and provides an added layer of protection from tampering or the usual cable mishaps. ***Note****: This package only covers one side of an SR4POST48HD. You will need to purchase two kits to have two panels on each side of the rack.*
